

# GET THE INDUSTRY LEADER ON YOUR TEAM

*WORKPLACES, BRANCHES, AND NETWORK TRANSFORMATION*

## YOU COMPETE IN A RAPIDLY CHANGING GLOBAL MARKETPLACE

Yet, whatever your size, geography, or goals, we believe you're up to the challenge. No one has built more facilities for financial institutions than NewGround International. We're here to help you set market trends, not just follow them.

Over the past century, we've continuously introduced innovations to enhance your consumers' experiences. From the first drive-thru design to removing teller glass and introducing open-room concepts, we've always been at the forefront of groundbreaking trends.

## REDUCE YOUR RISK, STAY FRESH, AND CREATE THE FUTURE

Strategize with our experts to meet your goals. Then, work with our team to design and build flexible, future-proof solutions across your entire network.

# BUILD YOUR VISION

## WORKPLACES

Create flexible, tech-friendly, experiential corporate spaces. Foster connection, collaboration, and success – in every sector.

## PROTOTYPES

Whether designing a retail space, flagship, or another branded experience, our prototypes enable you to scale fast, embody your value propositions, engage your people, and stay ahead of the curve.

## ROLLOUTS

Our project management team helps you move quickly, meet challenges, create high-quality and scalable rollout packages, and take advantage of available resources and cost-saving opportunities.

## RENOVATIONS

Transform your spaces and ensure every physical location reflects your brand identity and priorities for tomorrow – while turning heads today.

# WITH NEWGROUND INTERNATIONAL, YOU CAN MAKE BOLD MOVES WITH CONFIDENCE.

Let's imagine your future and build it together.
